A successful 2019 tri-state training conference has come and gone!

The NCPA hosted SCAPE and GPA members in Asheville NC for the 2019 tri-state conference. It was a huge success and was very well attended by members from each of the three associations.

PPSB continuing education approval codes were issued shortly after the conference. They will be posted on the NCPA website under the “news” section ASAP.

Congratulations to Michael Sumner for winning the early-registration \$100 Visa gift card Wednesday and Darryl Starks for winning the door-prize raffle grand prize on Friday!

Upcoming training:

Please remember to register on the NCPA website for all future NCPA training!

Fall/winter 2019 NCPA polygraph training

Emerald Isle, NC

Full details are still being ironed out and will be posted on the NCPA website as soon as they are available.

We have secured a limited number of hotel rooms at the way-low state rate. A reservation link will be posted on the NCPA website as soon as those details are fully finalized.

This is our second of two bi-annual training conferences that is free to attend for all dues-paid NCPA current members (non-members are \$50 or \$25/day).

There is no fee for paid-up members to attend but lodging and meals are the responsibility of each individual attendee.

It was such a hit at the recent tri-state training that we are doing it again...

All those who register online thru the NCPA website for this training before November 15th will be entered in a drawing for a \$50 cash prize to be awarded Thursday morning at the training.

We will also raffle off door prizes throughout the training so bring a small gift from your agency or something small you purchase to give away. The NCPA will purchase a grand prize (exact award is still TBD) to be awarded on Friday afternoon. You will need to be present to win.
